**Please read these instructions carefully before proceeding.**

This instruction is used in conjunction with the Installation Guide.

**Important:** Installation shall be carried out exactly according to the manufacturer's instructions otherwise a safety risk can occur if incorrectly installed.

**Warning:** In order to prevent cabinets overturning or falling down they must be used with the wall attachment device/s provided. Before fixing any cabinets to the wall, ensure the wall construction is capable of taking the weight of the loaded cabinet and that appropriate fixings are used. If in doubt, consult an expert.

**Note:** Wall fixing screws are not supplied due to different wall types requiring different fixings.

**Caution:** Some small pieces of hardware could be hazardous to small children. Keep all these items out of reach and do not leave children unattended in the assembly area.
